

TAMBA-PLAY

PERFORMING ARTS OF AFRICAN VILLAGE PLAY EXPERIENCE.

An exciting and educational African performing arts program that encourages children and young people to embrace the African heritage through learning music, dance, folklore, design, percussion instruments and rhythm.

On Offer

10 intensive weekly workshops working with highly skilled creative directors who will engage them through theatrical script play. Dance style, Drama skills such as improvisation, breath control, singing, musical theatre and creating a character, experimental theatre and script work. Opportunity to be part of Active Horizons performing Arts group. Giving the opportunity to perform to wider audiences.

An opportunity to be creative & build friendships

On the final days we take to the stage to hold a show for family and friends in a professional theatre setting where all participants showcase their achievements. Improve confidence in all aspects as it provides opportunity to express.

Dates- Every Tuesday from 5 October - 7 December 2021
